### Miss Montana 2018 visits Builders Club

[Story information and photo credits: **Kelly Johnson**]

Miss Montana 2018, Laura Haller, brought her positive message to our Builders Club in Sidney Middle School. Laura is working closely with the only Children's Miracle Network Hospital in Montana, Shodair Children's Hospital. She is also

advocating for her social impact initiative, Own Your Movement, during her Crown to Classroom Tour. Using narrative and lessons she learned from her life as a professional dancer, pre-medical student, marathon runner, triathlete, small business owner, and world traveler, she hopes to inspire Montana children to get up and get moving so they have the ability to follow their passions in life.

### Members donate banners for club sign

**Jessica Redfield**, **Elaine Stedman**, and **Keith Bostrom** have donated the cost of three new banners to be rotated on the club's sign at Central Avenue and Fourteenth Street.

## Club sponsors lunch for MBI 5th graders

The Sidney Kiwanis Club sponsored a fun Pizza Lunch for the Central School 5th graders who were acknowledged by the MBI (Montana Behavior Initiative) program on Wednesday, October 10, 2018. **Leif Anderson** and **Jackie Laqua** did this project for the club. There were about 30 students, two teachers, and Principal Romo in attendance. The menu featured Pizza House Pizza and Breadsticks, Ranch (of course), a pumpkin cookie, pop and water. **Leif Anderson** had a trivia contest for the students for entertainment.

## Jamie Larson keeps Meals on Wheels rollin'
