Apple Sale

Randy Johnson reports that our pre-sales in the annual apple and pear sale are up over recent years. Based on our pre-sale numbers, the apples and pears have been ordered. Delivery is projected for October 6 to 13. Pickup at the warehouse of Johnson Hardware & Furniture is planned for Saturday and Sunday, October 13 & 14.

Talk to:

Greatest of All Time Award

The G.O.A.T. Award was presented to

President Bryce Baker during a regular weekly meeting. His nimble and glib remarks did not fail him. Admittedly, it was a small a gift (Kiwaniis socks) for such a big occasion. No one can say for sure why he did not sport them for his re-installation.

Program Committee

The Premier Committee (others can settle for being the No. 1 Committee) of the Sidney Kiwanis Club, Chaired by the Grand PoohPawh of the Loyal Order of Griz, John Olson, has programs scheduled all the way into next year. Some new and fun things are planned along the way.
